PADMA RESORT BALI RECEIVES GOLD CERTIFICATION IN THE HOTEL SAFETY AND SECURITY STANDARDS

Legian, Bali, May 6, 2009 – On April 29, 2009 Bali Regional Police Department (Kepolisian Negara Republik Indonesia Daerah Bali) verified Padma Resort Bali at Legian with a first class / gold rating in 2009 Hotel Safety and Security Standardization.

A first class / gold certification is the first rank in the standardization result made from combining all the important factors in the evaluation, such as personnel, equipment, building facilities, software system, and regular training in which Padma Resort Bali scored high on each of the factors above based on the observation of Bali Regional Police Department Verification Team. Padma Resort Bali's security team has regular training program in conducting the standards of procedures to maintain human resource and equipment's quality from time to time.

Bali as a favorite travel destination was effected by the Bali Bombing, and the government tried to re-establish tourists' trust to return to Bali through this program. Padma Resort Bali always gains the first class / gold rating in the Hotel Safety and Security Standards since it was first initiated in 2003. As for this year, Padma Resort Bali is among the other hotels

in the top 5 positions, like Nikko Bali Hotel, Nusa Dua Beach Hotel, Grand Inna Bali Beach Hotel, and Bali Dynasty Resort. Safety and security has always been one of Padma Resort Bali's priorities as one effort to show the world that Bali is, indeed, still a safe and favorite travel destination. Providing guests the most memorable resort experience has always been Padma Resort's passion therefore even the security team is also equipped with hospitality knowledge and training. All to give a safe and memorable resort experience while enjoying the renowned Balinese hospitality.

Padma Resort Bali is a five star resort in Legian managed by Padma Hotels and Resorts Management.
