

Enjoy a good night sleep during your stay at one of our club/suite rooms with the special pillow options below.

To get a pillow of your choice, please press ext. 5

Hypo-Allergenic

This synthetic soft pillow helps relieve sneezing, morning headaches, sinus congestion, and other symptoms associated with feather and dust allergies. Suitable for stomach and back sleepers.

Neck Treat

High-density pillow that offers maximum support for the neck, for extra relaxing repose. Good for side sleepers.

Swedish Memory

Made from premium 100% goose down, it reacts to body temperature, keeping you comfortable in all weather conditions. An all-time favorite, it also relieves pressure with its self-molding foam feature. Great for back and side sleepers.

Stress Free Sleep

Designed to conform to the head and neck for maximum support and stress reduction. This firm down pillow is recommended for side sleepers.

All-Around Wellness

Not only it offers ultimate spinal relaxation and the best facial contour protection, this memory foam pillow can also reduce snoring. Perfect for side and back sleepers.
